

THE MARMARA

Hotels & Residences

Founded as a family business, the group has undergone a might transformation to become institutionalized starting with the year 2003. By May 2008, the company has completed the institutionalization process and finalizing its standards that are set quite high in order to become a leading worldwide group. Undergoing such a major evolution, THE MARMARA HOTELS & RESIDENCES paced its development in the most health way possible.

THE MARMARA HOTELS & RESIDENCES are active in tourism from the year 1978, becoming one of the best known hotel group in Turkey.

THE MARMARA HOTELS & RESIDENCES, at the moment, boasts a total of 6 hotels, 3 residences and the most prestigious event venue in the country. 3 hotels are located in Istanbul, 1 in Bodrum, 1 in Antalya and 1 in Manhattan, NYC whereas the Residences and the prestigious Esma Sultan mansion is located in Istanbul as well.

THE MARMARA HOTELS & RESIDENCES aims for a macro goal of developing in to an internationally well known group among Turkish hotels.

"Innovation" is the key word for THE MARMARA HOTELS & RESIDENCES, where a philosophy "not static, but dynamic" is fully internalized. All hotels are, and will be, different from one another keeping the highest level of service quality and standards in order to provide guests a warm a surprising atmosphere throughout the chain.
